

Important **changes** to car parking at Majura Park...

MAJURA PARK

From 1 July, 2009 there will be changes to the way you pay for your parking at Majura Park.

This new state-of-the-art system provides you with more options and improved parking flexibility. Here's how it works...

Tickets

Hourly or daily

Press for ticket at the boom gate before you enter the car park. Parking tickets can be paid at a pay station prior to exit using cash or credit.

If you need to leave the car park throughout the day to attend a meeting or go out for lunch, you can do so by changing your ticket to an "All Day Ticket" at a pay station prior to your first exit. This ticket can then be used to re-enter and exit the car park throughout the day without any additional fees.

To change your ticket at a pay machine:

- Step 1 You MUST select the "Options" button.
- Step 2 Insert your ticket into the machine.
- Step 3 Select the "Daily" option button.
- Step 4 Insert payment.
- Step 5 Collect your ticket from the change barrel.

Weekly

Press for ticket at the boom gate before you enter into the car park. This ticket can then be changed into a weekly ticket by validating it at a pay station prior to exit.

To change your ticket at a pay machine:

- Step 1. You MUST select the "Options" button.
- Step 2. Insert your ticket into the machine.
- Step 3. Select the "Weekly" option button.
- Step 4. Insert payment.
- Step 5 Collect your ticket from the change barrel.

Once you have paid for your weekly ticket it can be used to exit and enter the car park as

many times as needed throughout the week of purchase. This ticket will expire after seven consecutive days.

Pass Card

Monthly, 3 monthly, 6 monthly or yearly.

These options of parking use a "Pass Card" system. This renewable card is purchased from the car park management office in the multi-storey car park at Brindabella Business Park. This card is scanned upon entry and exit to the car park by holding your card flat and still against the reader. (Do not swipe).

This card also allows you the freedom of multiple entries and exits throughout the day.

Top Up Card

\$25 or more

For a minimum purchase of \$25, this card allows you to pay-as-you-go, and \$5 will be deducted from the card per day of use. You can Top Up as you like.

This card is ideal for part-time staff, or if you pay for your parking using a credit card as there are dedicated credit card only machines throughout the car park. This card is scanned upon entry and exit to the car park by holding your card flat and still against the reader. (Do not swipe)

Intercoms are located at all boomgates and pay stations if you require assistance.

This new system takes affect from 1 July, 2009. If you require further information or would like to purchase a Pass Card or Top Up Card please visit:
